“Historic Preservation
Month”

(Created in 1971 by the National Trust for Historic Preservation, Historic Preservation Month spotlights grassroots preservation efforts in America.)

Complimentary “Walking Tour Brochures” are available at City Hall and the City Planning Office. Pick one up or download one from this site and take a stroll down Main Street and Railroad Avenue (Historic District). Learn about the historic assets right here in your own community. Many are on the National (and Georgia) Register of Historic Places.

They are all vital to the preservation of historic Flowery Branch.
